UNESCO World Heritage Sites

Heritage is our legacy from the past, what we live with today, and what we pass on to future generations. Our cultural and natural heritage are both irreplaceable sources of life and inspiration.

What makes the concept of World Heritage exceptional is its universal application. World Heritage sites belong to all the peoples of the world, irrespective of the territory on which they are located.

Our goal is to help our guests to visit as many World Heritage sites as possible. Whether you like the culture or the natural heritage, you can get the inner shock. Each of our itineraries includes world heritage sites, from the Chinese terracotta warriors in the east to Vilnius in the west, and from St. Petersburg in the north to Robben Island in South Africa in the south of the planet.

Private Journey

A good part of our business is the creation of customized travel for couples, families, organizations, and groups of friends.

A hand-tailored itinerary to suit your exact specifications – your time-frame, your budget, your interests. We discuss, create and arrange your trip exactly the way you want – the perfect combination of immaculate planning and the flexibility to move at your own pace. Spend time doing exactly what you want with special access to interesting people and remarkable experiences.

Start imagining where you can go next: It's your choice of destination, packed with meaningful experiences and at a budget that makes sense. Let us know your dream destination and our tailor will help you to make your dream come true!

Bushido is realized in the presence of death. This means choosing death whenever there is a choice between life and death. There is no other reasoning."

TESTIMONIAL

Christine Torry

I traveled with Victor and Bright on an extensive trip to China. Victor and Bright were very responsive to the needs and demands of quite a large group. They provided us with detailed information prior to, and during the trip. They were well organized and everything went very smoothly. The local guides they provided were exceptional: knowledgeable, and very helpful. The itinerary was excellent, the hotels well chosen. I would not hesitate to travel with Bravo Holidays, and highly recommend their services.

The trip with Bravo Holidays to the Baltic States was one of the best travel experiences I have ever had. It was a wonderful blend of culture and nature. Victor accompanied the group and was extremely sensitive and responsive to the needs of the participants. The organization was flawless and I will be travelling with Bravo Holidays again in 2019.

Andy & Helen Spriet

We have had the pleasure of travelling with Bravo Holidays on two or three occasions to exotic places. Bravo personnel were well organized, very helpful and a pleasure to travel with. We find the Bravo Holiday Group to be very professional and capable and look forward to future travels with them.

Alan & Erika Harris

Our trip to China was very memorable, and made more so by Victor and Bright guiding us and looking after our every need. We would highly recommend Bravo Holidays to our friends and anyone wishing to travel. They could not find themselves in better hands. Looking forward to enjoying more trips.

David & Mary Inkley

We have enjoyed many adventures with Bravo Holidays around the globe. The trips have featured outstanding itineraries and have included accommodations in some of the best hotels that we have ever stayed in. Customer Service and personal attention by the Bravo Team is second to none. All in all our travels with Bravo have been first class and represent tremendous value. We look forward to many more adventures with Victor and Bright.

Marilyn Elford

Bravo Holidays has been a refreshing change for my travelling experiences. Other travel companies were adequate and some even good but Bravo Holidays certainly raised the bar to a whole new level of satisfaction. Among the things that made the difference were the attention to detail and personal service. Their preparation for the trip made the travel plans run smoothly. They have good knowledge of the destination and local customs of which we were made aware. The detailed itinerary was flexible enough that we never felt rushed but were able to fully experience whatever location we were visiting. Each day Victor and Bright participated in the events along with us. At the end of the day we always retired to exceptionally fine accommodation and excellent local cuisine. It was so nice to be able to enjoy each hotel for more than one night. Most hotels were located in areas where we could enjoy the local culture in the evenings as we wished. Each trip with the Bravo team has been "a once in a lifetime" adventure. Now ———where to next??

Bravo Holidays Toronto Inc. was selected by the committee to take us on a mostly all-inclusive travel to:

1. Iceland in 2017 whereby we saw the countryside and enjoyed meetings and receptions with lawyers, judges, and embassy officials. The tour by bus, accommodations and food were of the highest quality and the meetings quite productive, thanks to Bravo.
2. The Baltic States, Helsinki and St. Petersburg in 2016 allowed us to see Vilnius where we flew into and then by bus saw Lithuania, Latvia, and Estonia meeting lawyers and judges throughout and enjoying super accommodations and food. We then went by boat across to Finland and then onto St. Petersburg by train crossing the border into Russia. Again, the accommodations in both countries were superb and the food and itinerary were engaging. Everything went smoothly and all of the participants enjoyed the entire tour to its fullest.
3. China in 2015 with 57 participants including 19 lawyers and 6 judges from all levels of courts. We went to Shanghai then, by air, to Yunnan Province and then by bus, with stays in Shangri-La, Lijiang, Dali, and Kunming, the capital. We traveled by air to Xian and then by the bullet train to Beijing. Travel throughout was on time and comfortable and meals and legal and judicial meetings were superb and all of our group were gratified to meet with their Chinese counterparts.
4. In 2019, we are travelling to the Central Asia Silk Road with 50 participants with a well-established itinerary for meetings with lawyers, accommodation, food, and travel within the countries.

Bravo gives it all and everything works smoothly and enjoyable for the participants.
